

Selling Your Consignment Saddle

We accept Dressage, Jumping, All-purpose, and Endurance saddles. Our consignment fee 20%. Upon submission of your consignment form, you will receive a call or email from our web consultant. She will advise you if there is a market for your brand of saddle and provide you with an authorization number. She will provide you with a shipping address and how best to pack and ship your saddle. If your saddle needs to be returned for any reason, you the consignee, are responsible for Return Shipping Costs.

Every saddle shipped to Hobson's Choice will be checked for possible defects or fractures to the tree that would make it unfit for resale. Any defective saddle shall be returned at the customer's expense. If you wish to have your saddle repaired, please call or email in advance. You may reach us by phone at 978-363-8881. We appreciate your business and look forward to working with you.
